Heather Turner Photography's boudoir studio is located at Smith Mountain Lake, VA. If you are interested in shooting elsewhere or if you are in need of hair and make-up services, please contact Heather Turner Photography, LLC for additional information and additional travel fees. Occasionally, Heather Turner Photography will offer Boudoir Events held at local venues such as Hotel Roanoke. These sessions will not incur an additional travel fee.

All sessions will begin promptly at time of appointment. Please arrive prepared to shoot. After the session, post processing and editing will occur normally within 2 weeks. Once editing is complete, your images will be uploaded to a password protected gallery on my website www.heatherturnerphoto.com. Prints, albums, digital images, etc. can be purchased via your private gallery and in person. If your package includes digital images, these images will be emailed to you or delivered via mail (DVD) along with a print release.
